**AT ATA BLACK BELT ACADEMY AND KARATE FOR KIDS HEALTH AND SAFETY IS OUR PRIORITY
HERE'S A GLIMPSE AT HOW WE DO IT DURING COVID**

- All on-site classes booked online in advance, no walk-in's during covid
- Students wait outside (6-foot distances marked) until staff member welcomes them inside individually
- Masks worn at all times once students enter the Academy
- Ventilation system always during operating hours, completely exchanges air every 30 minutes
- Outstanding constant airflow utilizing front and back doors, as well as large garage door
- Individual sanitized buckets used for any item(s) necessary while on training floor
- Multiple hand sanitizing stations through out the Academy
- 6-foot distance markings on the floor to guide distance while waiting for training
- Individual training pods limiting the number of students in the Academy
- Each training pod stocked with own individual neutral germicidal cleaner
- Equipment wiped down before and after each use
- Students dismissed one at a time; 6-foot distance markings on the floor to guide distance as leaving class
- Zoom classes always available to all students instead of, or as a supplement to, on-site training at anytime

*Thank you for being kind
and
keeping our school safe!*

Please stay home and join a Zoom class if you or anyone you are living with are having **any** of the following symptoms: fever, chills, cough, shortness of breath, sore throat and painful swallowing, stuffy or runny nose, loss of sense of smell, headache, muscle aches, fatigue or loss of appetite or if you or anyone you are living with are self-isolating or quarantined.

“Be Kind, Be Calm & Be Safe.” Dr. Bonnie Henry
